

BOYS & GIRLS CLUB
OF THE LOWER NAUGATUCK VALLEY

2020-2021 SCHOOL YEAR ROADMAP

We know that families are trying to prepare for the upcoming school year. To assist with that planning process, the Boys & Girls Club of the Lower Naugatuck Valley has put together a roadmap for providing services. These guidelines and considerations are based on the best available public health data at this time and are subject to changes and updates.

*We will never change **what** we do, sometimes we just have to change **how** we get it done.*
