CLUB MISSION & HISTORY

Mission

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, and responsible citizens.

Core Values

Here at the Boys & Girls club of the Lower Naugatuck Valley, we have adopted six core values which exemplify our mission: fostering an environment that is safe and teaches our children to be trustworthy, respectful, inspired, dependable, and enabled.

Who We Are – What We Offer

The Boys & Girls Club of the Lower Naugatuck Valley is for boys and girls Kindergarten through High School, of all ethnicities, races, and creeds. Trained professional staff provide our members with positive adult mentors and role models. Nationally recognized programs help our young people succeed in school, stay healthy, learn important life skills, pursue interests in the arts and sports, and explore vocational choices. Our Clubhouse is a safe and affordable place to learn and grow, all while having fun.

History

- Established in 1926 as the Community Building Association
- Incorporated as a Boys Club in 1956
- Merged with the Community Center in 1969
- Girls became full-time members in 1980
- Changed name to reflect service increase to entire Valley in 1993 to Boys & Girls Club of the Lower Naugatuck Valley
- Opened new Clubhouse in Shelton June 1999
- Opened new Clubhouse in Ansonia May 2009

The Boys & Girls Club of the Lower Naugatuck Valley, Inc., is a drop-in program, chartered by Boys & Girls Clubs of America, and is exempt from state daycare license laws, as per State Statute Section 528 Subsection (b) of section 19a-77(7), like schools and recreation departments. Our drop-in after school program follows membership requirements and safety standards set forth by Boys & Girls Clubs of America. The Club is a non-

profit (501c3), private organization for dues-paying members. Memberships are required to use the Club facilities.

HOURS & COSTS

Membership fees cover participation in core programs. Additional fees apply to holidays, school vacations, sports, leagues, and special events. No reimbursements are given for membership dues. Monthly programs are NOT prorated. After-school membership begins on the first day of school for Shelton and ends on Shelton's last day of school. See the Shelton Public Schools calendar for holidays, vacations, and early dismissal days.

Snow Days/Inclement Weather

The Club usually opens by 10 am if there is no school due to snow or other inclement weather. This depends on how bad the weather is. Sign up for our Weather Alert emails which will notify you of any change in Clubhouse hours. You can also check our website (www.BGC-LNV.org), our Facebook page (www.facebook.com/bgclnv) or sign up for email newsletters. See Emergency Notifications on page 6 for important information.

Delayed Opening Policy

Since we operate on the Shelton Public Schools schedule, if Shelton has a

delay, our before school programs will be the same as that of the school. Meaning, for a 2-hour delayed opening, our building will open two hours later than normal (instead of 7am, we will open at 9am).

Early Dismissal Policy

The safety of the children is our primary concern; therefore, we do not put our vehicles on the road in bad weather. If there is an early dismissal due to inclement weather, we will not send the bus to the schools (Shelton school buses will still transport). **Parents must** provide transportation for their children when their child's school is dismissed early due to inclement weather (or any other unplanned early dismissal), and **parents must** notify the school of those transportation arrangements. All children will be expected to go home after school if their school has an unscheduled early dismissal (sometimes one school will close because of a unique situation). We will pick children up on regularly scheduled half days.

Emergency Notifications

Mass communications about our Clubhouse hours will be sent to parents through our e-mail newsletter: snow day hours, delayed openings, unscheduled early dismissals, holidays, and anything else that changes our normal hours. To sign up for our newsletter, email LavietesClubhouse@BGC-LNV.org with "emergency notifications" in the subject line. Please allow two business days to be added to our list. We will also post information on our Facebook page. To receive Facebook updates, like our page at www.Facebook.com/BGCLNV.

Payment Policies

As a non-profit organization, we are dependent on prompt payments from all our Club families. Payment for all monthly programs and van transportation is due on the first of the month to avoid a \$15 late fee. Nonpayment will result in suspension from the program or transportation service. **Monthly programs are not prorated.**

Bounced Checks

A fee of \$25 will be charged for each check written to the Club that is returned by the bank. If more than one check is returned within a calendar year, you will be required to pay with cash or money order for the next 12 months.

Past-Due Balances

The Boys & Girls Club of the Lower Naugatuck Valley cannot carry past-due accounts. All current account balances must be cleared prior to registration for each new year and/or Summer Camp. Families are encouraged to make an appointment with the Unit Director or Membership Coordinator to address financial issues in a confidential atmosphere.

Year-End Tax Statements

Year-end tax statements may be requested beginning in January. Please allow two business days from the date your request is received to print your statement. Statements will be left at the Membership Desk when they are ready; no exceptions. With potentially hundreds of parents requesting year-end tax statements, your patience is appreciated.

Absences

Our Club expenses are based upon the number of children enrolled. The absence of your child does not reduce the expenses of the daily program. We are unable to allow deductions, credits, refunds, or make-up days.

Late Pickup Policy

Our program hours are staggered for different age groups, and we staff each age group appropriately. Once your child's program ends, our staff leave the building; we do not keep staff on the premises after a program ends to supervise members. We rely on parents to pick their children up promptly. Should parents be late for any reason, the following policy will be in effect:

1st Incident: Friendly reminder of our program hours

2nd Incident: Late fee of \$20 per 15 minutes will be charged

3rd Incident: Your child will not be able to attend the program for the following 5 days

4th Incident: Your child's membership will be terminated without refund

If a child has not been picked up within 15 minutes of our closing time, our staff will call the child's parents at all contact numbers listed in the child's registration. If they cannot be reached, staff will call the emergency and alternate contacts. When all avenues of reaching parents have been tried, emergency contacts have been called, and more than 1 hour passes, we have no other choice but to turn custody of the child over to the Shelton

Police Department. Two staff members at least 18 years of age or older will remain with the child at all times.

REGISTRATION

Registration is all online at www.BGC-LNV.org. Beginning in the first week in August, you may register any time throughout the school year. It is the parent's responsibility to ensure ALL required documents and payments are received by the Boys & Girls Club prior to their child attending our program, or your child will not be allowed to attend.

Required for Registration

- Completed online Membership Application
- Full yearly tuition or the first month's tuition payment
- Two business days to process your child's Membership Application once payment is received
- For any child requiring epi-pens or inhalers, completed Authorization for the Administration of Medicine Form. Children requiring these medicines may not attend without this correctly completed form.

If you need Transportation service...

Derby transportation is first-come, first-served. Registration must be done in person. Cost is \$40 per child per month (third child free). The first and last months must be pre-paid. Unfortunately, due to the high costs of gas and vehicle maintenance, financial assistance is not offered for the transportation program.

- Complete your child's online Membership Application
- Come in to complete our Transportation Program Application (or download the form from our website) and pay for both your child's membership tuition and the first and last months of transportation service.
- If your child will stop using our transportation (temporarily or for the year), you must contact Lisa Smith, Membership Coordinator, to avoid being charged the monthly fee.
- See Transportation Rules on pages 6-7 for complete list of expectations and rules. Our vans do not run in bad weather. See page 4 for our Early Dismissal, and Emergency Notification policies.

If you do not need transportation service...

- Complete your child's online Membership Application
- If your child attends a Shelton grammar or middle school (Booth Hill, Elizabeth Shelton, Long Hill, Mohegan, Perry Hill, Shelton Intermediate, Sunnyside or Holy Trinity Catholic Academy) and you would like bus service for them, make sure you type YES on the online registration form for bus service. Parents must write their child's school a letter stating that their child has permission to ride the bus to our Clubhouse for the school year. If you do not complete this step, your child will not be bused to our Club.
- Payment for your child's yearly or monthly tuition must be paid prior to your child's first day in our program or your child will be removed from our attendance roster and will not be able to attend.

Transportation Program Expectations

- Transportation Program Applications are accepted on a first-come, first-served basis. Completing this Application does not guarantee a seat.
- Parents must write a letter to their child's school stating their child has permission to be transported to the Boys & Girls Club for the school year.
- The first and last months of transportation service must be pre-paid, regardless of what month you start using the service.
- Statements/reminders will not be given. Parents are responsible for making transportation payments no later than the first day of the month—plan for holidays, vacations, etc. accordingly. We reserve the right to withhold service during any month in which a payment is not made.
- Transportation is provided from school to the Boys & Girls Club at One Positive Place in Shelton. Transportation is not provided home from the Club.
- If your child will not need to be picked up, you must call the Club at 203-924-9329.
- If your child will stop using our transportation (temporarily or for the year), you must provide us written notice within one week of your child's last day. If you fail to provide this written notice, you will continue to be charged the monthly transportation fee and will be responsible for payment.

Transportation Program Rules

- Members must be seated with a seatbelt on at all times. Failure to do so will result in suspension from the van.
- Eating and drinking are not allowed on the van at any time.
- Use of cell phones is not allowed on the van.
- If a member breaks or damages anything in or on the van or any part of the van by negligence or misbehavior, parents will be responsible for payment of all damages.
- Fighting, vandalism, horseplay, foul language, name calling, and mistreatment of other members or the van driver are not allowed. Members must notify the driver of conflicts so they can receive assistance in handling their problems.
- Hands must be kept inside the van at all times. Any object thrown out of the window by a member will result in a suspension without refund, and if the driver is ticketed, the fees will be assessed to the parents. This offense violates state laws (no littering).
- Bus Conduct Reports will be issued to members for misconduct. If your child should receive a notice, which requires your signature of acknowledgement, parents are expected to discuss the issue with the child.
- Any member suspended or expelled from the van will not be given a refund.

CLUB RULES & POLICIES

Membership Cards

Each member is issued a membership card upon joining. They are expected to bring this card with them and to scan it electronically each time they enter or leave the facility. Members who do not bring their card face extended waiting periods and reduced access to equipment. Having to maintain their cards helps teach kids responsibility, which is sure to benefit them later in life. Replacement cards may be purchased for \$2 each.

Entering and Leaving the Club

- Members must sign in by scanning their membership card at the Membership Desk daily
- Parents must come in to the building to pick members up
- Members who walk home must leave the property when they leave

the building

- Members who leave the Club without permission will be suspended from the Club. The Club is not responsible for children who leave the building without permission.
- Parents, do NOT park in front of the building; it is a fire lane, and it blocks the school buses from dropping off children, and you risk having your car towed and are subject to fines.

Behavior Management

The Boys & Girls Club of the Lower Naugatuck Valley seeks to build a child's self esteem by helping him or her develop self control and responsibility for his or her actions. We never use physical or corporal punishment. To minimize the need for disciplinary action, a few simple rules are established at our Club. These rules set limits of behavior for the safety and protection of the children. We train our staff and volunteers to be firmly supportive and consistent in their approach. Our goal is to help each child achieve self control.

We ask you to support us in encouraging positive behavior with all the children at our Club and to use appropriate language and attitude while visiting our Club.

Club Rules

- No leaving the Club without permission
- Respect is a must...no profanity, fighting, or rudeness
- No running, roughness, or horseplay
- If you break something, you will be asked to pay for it
- No sitting on tables
- No hats

- Verbal or physical abuse by your child to other children or staff

- Defacing or destroying the Club's property. Members will be asked to pay for anything they break and will be suspended until payment is made.
- Disrespect or refusing to listen to staff
- Running/leaving the Club
- Not following transportation safety guidelines that could cause physical harm to himself/herself or other others

Visitors

In order to provide a safe environment for all members, all parents and visitors must check in at the Membership Desk. Parents are to remain at the Membership Desk while Club staff locates your child. All visitors must have permission to enter the Club, and acceptable attire and behavior are required to be permitted access to the Club and our activities. Any person not following the rules of the Club will be asked to control their behavior and/or asked to leave the building. If police are called to escort people from the building, that person(s) will not be allowed back into the building.

Food Court

The Food Court will be open Monday through Friday. Food must be kept in the Food Court.

Groups

Members must stay within their group area. Failure to do so will result in Club suspension.

Personal Belongings

The Boys & Girls Club of the Lower Naugatuck Valley is not responsible for lost or stolen personal items, including, but not limited to: cell phones, iPods, iPads, tablets, lap tops, readers, headphones (which are not permitted to be worn or used at the Club), money, and clothing. To avoid items being lost or stolen, members are encouraged to leave all personal items at home. Lockers are available; just bring your own lock. Locks must be removed nightly. Book bags and coats should be put in the games room cubbies.

Lost & Found

Mark every article of clothing, your child's backpack, lunch box, and all belongings with your child's first and last names. We have a lost and found area where items are stored for up to two weeks. Due to limited space, if items are not claimed, we will donate the unclaimed items to a community agency. Please check with your child before you leave the Club to ensure he or she has all of their belongings.

Smoke-Free Environment

Our Club is a smoke-free zone, and we maintain a smoke-free environment. We ask that you do not smoke at our Club, in our parking lot, or in the view of the children as you drop off or pick up your children.

Illness & Emergency Procedures

If your child is not well enough to attend school due to an illness or contagious symptom (including head lice), they may not attend the Club.

If a member becomes ill, staff will contact the parent, and it is expected that the member be picked up within 60 minutes after the call. The Club will not keep seriously ill children or children who have temperatures of 100° or more at the Club. If a child is sent home due to vomiting or having a fever of 100 or more, they cannot return until they are fever free or have stopped vomiting for 24 hours. In case of accident, the parent will be contacted right away to determine the status of medical attention required and the best manner to provide adequate and proper aid. Emergency situations will be taken to the hospital immediately.

Head Lice Policy

The Boys & Girls Club of the Lower Naugatuck Valley has a no-nit policy. Any child with lice will be sent home and not allowed to return until a medicinal shampoo procedure is completed and their head is free of all nits. Children will be rechecked by a first aid certified staff and will be sent home if any nits are found. We will hold random checks, performed by first aid certified staff, throughout the year to ensure a nit-free environment for the health and safety of all Club members.

Medicine

If your child requires an epi-pen or inhaler, a completed Authorization for the Administration of Medicine form must be submitted with the medication. Children requiring these medicines may not attend without one of these properly completed forms. The Boys & Girls Club does not accept or administer any other medications. We will, however, make reasonable accommodations for a parent or guardian to come administer any other needed medications. We must know of any medications your child takes, even at home, in case of emergency. **Please note that we are not a peanut-free facility.**

Toilet Training

The Boys & Girls Club of the Lower Naugatuck Valley does not accept children into membership who are not toilet trained. It is the same policy that governs acceptance into the public schools, which is designed not only to prevent “accidents and distractions” during the course of the school day, but to ensure the well being, health, and self-esteem of the child. However, from time to time, accidents may happen. In the event of an accident, you can expect these procedures to be followed:

- Club staff will clean your child as well as possible and will provide clean clothes for the child to wear while waiting for their parent to arrive.
- Parents will be notified immediately through the contact numbers provided on the child's registration. Children will be kept in the Director's office until the parent arrives.
- Parents are expected to respond as quickly as possible and to bring clean, dry clothing for their child. If we provided clothing, parents are to launder it and return it the next day.
- Huggies®, Pampers®, or any other type of diaper or "pull up" are not acceptable undergarments and will be taken as a sign that a child is not toilet trained.

Any child who has more than two toilet accidents during a program season will be considered not toilet trained and will not be allowed to participate in Club activities for the remainder of that program season. A pro-rated reimbursement for membership or program fees will be issued, as determined by the Club.
