Virtual Field Trip!!!!!!

One of our favorite trips during summer camp is going to Mystic Aquarium. Since we can’t physically go there right now, we’re going to take a virtual trip! Join us—Follow the link below to virtually visit Mystic. After visiting the aquarium, please comment below and tell us what your favorite exhibit/animal to see was.

With your parent’s help, you can also view Mystic’s live event on their Facebook page at 11:00am each day and learn some new, fun facts about the different animals at the aquarium!
