EARTH DAY CHALLENGE

In honor of Earth Day, we want to encourage our members to participate in at least one of the following tasks:

☐ **Recycle** at least one plastic item, one paper item, and one metal item (canned food).

☐ **Be a power saver**! Turn off the lights, TV, or other plugged-in items when you leave a room.

☐ **Be a water saver**! Turn off the water while you are brushing your teeth. Take a shower instead of a bath, to save water.

☐ **Reuse**! Use a reusable bottle instead of plastic water bottles.

☐ **Go on a nature walk** and tell us what you see & find!

Comment below with a picture of you participating, or just describe what you did!
